

Short term employment opportunity

Are you looking for summer work for 2021 ?

We are looking for someone to join our existing team of 5 full time employees to aid us through the summer months and cover holidays.

Farm Overview

We are a mixed livestock and arable business located in Easter-Ross, Scottish Highlands.

We have lots going on here at Fearn, from 3,600 breeding ewes, 220 breeding cattle plus arable cropping. With lambing and calving work coming to an end, we have lots of other routine animal health and general farm maintenance jobs in front of us.

Responsibilities and Duties

The role will be very mixed and depending on experience some of the below will be involved:

- Routine animal health treatments and procedures (drenching lambs/shearing/cattle handling)
- General farm maintenance and repairs.

Essential characteristics

- Driving licence
- Willingness to work and learn
- Ability to work as part of a team and individually
- Enthusiasm and banter!

Desirable but not essential characteristics

- General mixed farming knowledge/experience
- Knowledge/experience of beef cattle and sheep
- Knowledge/experience of grassland/rotational grazing practices including fencing
- Basic machine operating skills
- Working dogs (kennels available if required)

Job Package

- Usual working hours Monday to Friday, 7am to 5pm with some weekend work.
- Salary – dependent on experience
- Accommodation available on site
- Kennels

If this role sounds of interest to you, or you would like more information [please email](mailto:admin@fearnfarm.com) a copy of your cv, and dates available to admin@fearnfarm.com

This role could lead to a permanent position for the right candidate.
